

# Joint Service Fundraiser for September 11 Fund Raises Over \$2,000

By Sherre Mitten-Belle, DDSP PAO

In the few weeks following the September 11 terrorist attacks, employees from each of the military recruiting offices located on the Defense Distribution Center (DDC) installation raised money designated specifically for the September 11 Fund.

To raise funds, employees and tenants collected donations during a baked goods and hot dog sale held on the installation.

*Volunteers from military recruiting offices, through the sale of baked goods, hot dogs, and by collecting individual donations, raised more than \$2,000 for the September 11 Fund.*

On October 22, 2001, the Garrison and Defense Depot Susquehanna, PA Commander, Captain Chris McKelvey, USN, presented \$2,010.70 to Mr. Joe Capita, President of the United Way of the Capitol Region.

As coordinator for the Harrisburg Area Combined Federal Campaign (CFC), the United Way distributes the donations to the September 11 Fund within days. The fundraiser will also assist the installation in reaching their CFC goal for this year's campaign.

*DDSP Commander Captain Chris McKelvey, SC, USN, presented donations from the joint service fundraiser to United Way of the Capital Region President Joe Capita*

## DDBC Proud to Be Americans

Defense Distribution Center Barstow, California (DDBC) staff gathered recently to show their support for our country.

"The CGA [Continuing Governmental Authority] works hard everyday supporting the warfighter," said Dallas Harris, DDBC Director, "we thought this was a great opportunity to show that support."

DDBC is responsible for transportation management, warehousing, receipt and inventory control. The distribution center provides support to the co-located Marine Corps Maintenance Facility and other Marine Corps customers, the National Training Center and other Army customers, the Naval Sea Systems Command and other Navy and Coast Guard customers, as well as to the Air Force and other DLA customers.
